

Placing Your First Investment:

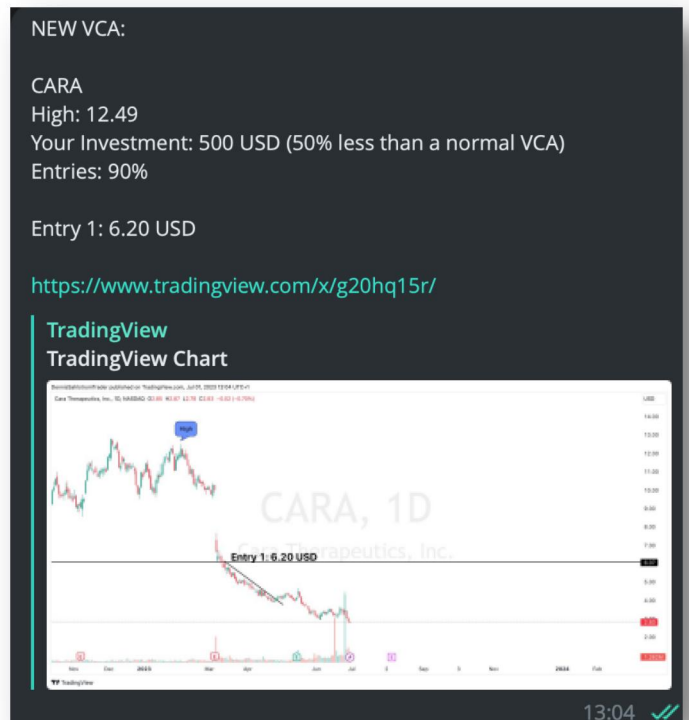

What you will need

1. An account with a broker (e.g. Etoro, Robofores, Degiro)
2. Money deposited into account

When you are learning how to trade and invest, you now have a chance to follow along on the investments we are placing to allow you to build momentum while you are learning.

Step 1: Place opportunity from the Telegram Group:

You can either just enter in demo to track what we are doing, otherwise you can use the calculator:

VCA Calculator Strategy My Strategies My Alerts [WATCH TUTORIAL](#)

Stock: **AAPL** **LIVE STOCK PRICE** **\$191.33** \$-1.13 (-0.59%) Current High: **194.48**
