Onboarding

Build your foundation. Trade and invest while you learn and set up all the technicals.

Put in all sessions you will attend in your calendar.

Set goals, set up technicals and place trades while you learn. Join all groups

Week 1

Follow the process: journal, broker and get into the habit of placing opportunities while you learn. Start becoming organised.

Choose trading/investing and get everything setup. Learn the first strategy.

9

Week 3

Now it is time to set your goals. Set your 3, 6, 9 and 12 months goals. Fill out the success accountability document.

Start creating your wealth plan and set daily/weekly goals

8

Week 5

During this week the focus will be on asset allocation and create a solid plan for that!

ONE thing is to work on your asset allocation

7

Week 7

How do you read the markets properly, no matter if you are investing or trading. What does it take for you to become successful?

Learn how to read the market to get the edge

6

Week 15

How do you adapt to different market cycles? Here, you will find out what the next steps are for you and how you can win no matter what kind of market we are in.

Learn how to win in any market.

11

Week 13

This week will be all about Backtesting. You will be able to run 10x faster than you can now.

Implement Backtesting to skyrocket your results.
Also, start trading or investing at this point if you have not.

12

Week 11

Now with all the new learnings, we will take a look at the wealth plan again and go through your trading/investing rules. Be prepared to share.

Review your Wealth Plan.

13

Week 9

Now we will explore how you can stack probabilites to get an edge in the market. This is all about improving your results!

Get into chart patterns and indicators to improve your strategies. Start your second strategy.

Week 17

10

Mindset is a crucial part to your success. We will here discuss how you can make sure you only take "Good" Trades and Investments.

Learn the 80% of investing and trading: Mindset

Week 19

Mindset and goalsetting! Have you reached your goals? What are your new goals? Let us review the wealth plan.

Review time. Have you reached your goals?

Week 21

How do you become consistent and when do you start seeing results for real? We will look into that in this session.

Week 23

What are now your next steps?
